*Since 1972, NY StateWide Senior Action Council has been a leading advocate for older New Yorkers. We are a membership organization working to support policies and services that allow community elders to age with dignity. We are a trusted information resource for seniors and their families, and have led efforts to create and expand EPIC and preserve Medicare and Social Security for generations to come. The Albany County Chapter was chartered in 2014 and focuses its work on the concerns of Capital District residents.*
