DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.

DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.

DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.

DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.

DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.

DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.

DEFINITIONS

Living in poverty: Percentage of adults ages 65 and older who live in households at or below 100 percent of the poverty threshold. Note: Poverty status cannot be determined for people in institutional group quarters such as nursing homes or living situations without conventional housing (and who are not in shelters).

Rent Burdened: Spending more than 30 percent of household income on rent.

Owner Occupied Housing Burdened: Spending more than 30 percent of household income on owner occupied housing.

Disability: Have at least one of six disability types including difficulties in: hearing, vision, cognitive, ambulatory, self-care and independent living.

Difficulty in Self Care: Having difficulty bathing or dressing.

Difficulty in Independent Living: Because of a physical, mental, or emotional problem, having difficulty doing errands alone such as visiting a doctor's office or shopping.
