Message from Claire O'Brien, President:

Our "Third Thursday at Three" ZOOM meeting will be held on August 20th. Guest speaker will be Cynthia Bell, President of the League of Women Voters, a nonpartisan political organization that focuses on:

- Encouraging informed and active participation in government
- Working to increase understanding of major public policy issues
- Influencing public policy through education and advocacy

The League is a peoples' organization that has fought since 1920 to improve our government and engage all Americans in the decisions that impact their lives. They were formed from the movement that secured the right to vote for women and they remain focused on expanding participation and giving a voice to all Americans. We look forward to seeing you on the 20th.
