Greetings,

Our SMP Volunteer ZOOM meetings have been a great way to stay in touch with each other. Our last meeting in the “virtual sun” was fun and informative. If you haven’t been able to attend our past meetings, try to join us in September. We always focus on a current SMP topic and you never know what games we might play!

I am very thankful for the guest speakers we have had attend the meetings: Kathleen Otte (ACL Regional Administrator), Thomas Bane (Centers for Medicare and Medicaid Services and SMP liaison), Wayne Abramovich (Project Officer, ACL and SMP mentor) and Maria Alvarez (Executive Director, NY StateWide Senior Action Council). Thank you so much for all the great information that you share with us!

NY StateWide’s annual CONVENTION is right around the corner. StateWide members and SMP volunteers can attend for free. For more information about the convention, you can call us or visit our website. The convention promises to be another great event, and I hope to “see” you there!

Stay safe and well,
Beth Nelson, NYS SMP Director

Meet SMP Volunteer Elizabeth Campbell

Liz was an SMP Volunteer in Virginia since 2015 supporting the City of Richmond and the surrounding three county area. She made SMP presentations to various senior community organizations & distributed materials at local health fairs.

Liz moved to Lewiston in 2018. She connected with the SMP program and New York StateWide Senior Action Council and became an SMP volunteer covering mostly Niagara County. Since then she has met with other senior organizations to present on Medicare Fraud and visits many senior housing facilities throughout the county to distribute SMP fraud materials and meet the residents.

“It is very gratifying to meet seniors in my new community to share information and make them more aware of health care fraud. SMP volunteers help beneficiaries protect their identity and Medicare benefits, as well as reduce the loss of resources in the national Medicare program.”

- Elizabeth Campbell, NYS SMP volunteer since January 2019
