SESSION INFORMATION

In this session you will learn about:

- What is an advance directive? Why are advance directives important?
- What is a health care proxy? Who needs a health care proxy?
- Is a health care proxy a legal document?
- Resources to assist with creating your own health care proxy.
- How to speak with family and loved ones about health care proxies.
- What happens if you do not have a health care proxy.
- What is the difference between a health care proxy, a MOLST, a DNR and a living will?

About the Speaker: Nancy Aureli began Community Living Advocates to connect caregivers, seniors & people with disabilities with services, events, classes, and information they want and need. For more information, please visit: www.communitylivingadvocates.com
