Connect by phone: 646-558-8656, Web ID: 874 0804 8264#

SESSION INFORMATION

- What are your oral health needs based on your age?
- How do your oral cavities affect the rest of the body?
- How can different disorders, diseases, and even medications affect oral cavities?
- What are some popular trends in dentistry, and what do professionals think about them?

Opportunity for live Q & A session at the end

About the speaker: Dr. Reyes is also an instructor in Clinical Dental Medicine at Columbia University's Dental School and participates in their mentoring program. She is an active member of the American Dental Association, the Woman to Woman Dentist Network, and the New York County Dental Society, where she also provides mentoring
