SESSION INFORMATION

You'll get the most up to date information on:

- What is the current state of the pandemic?
- Where are we headed locally and nationally?
- What do the COVID vaccines do? What are benefits and side effects?
- Why is getting a vaccine not a “Get Out of Social Distancing” card?
- What are virus variants and what does this mean for you and your family?

We will leave 20 minutes for Q+A

About the Speaker: Dr. Douglas Rahner has been on Boards and Advisory Committees of a number of healthcare organizations including the Cortland County Board of Health, Cortland Regional Medical Center, Care Compass Network and the New York State Health Foundation. He has presented on health topics and health delivery innovation at Statewide and National Conferences. In 2015, he was named the New York State Rural Health Practitioner of the Year.
