- What information you should receive upon admission to a nursing home
- What is legal & what is not legal in an admission agreement you will be asked to sign
- When a nursing home has the right to discharge you
- What a nursing home must do before it initiates a discharge
- Appeal rights to a discharge
- What to do if you are threatened with transfer or discharge

We're interested in meeting participants that want to share their experience (2-5 minutes)

- What was your admission experience like?
- As a family member, have you ever been asked to sign an admission agreement that you will be financially responsible? What did you do?
- Has the nursing home ever threatened to discharge you because the staff thinks you complain too much?

IF YOU DO WANT TO SHARE: You do not have to mention the name of the nursing home. If you need help preparing, Cynthia Rudder, our consultant, will help. Please include your phone number when registering.
