LEARN HOW YOU CAN ENCOURAGE CULTURE CHANGE in Nursing Homes where you live or visit.

- Do you want the nursing home to be more home-like?
- Do you want the home to treat residents with dignity?
- Do you want the home to encourage resident choice and self determination?

Changing the culture of the home can make this a reality.

******Sign up or volunteer at the ZOOM meeting to share ******

TOPICS TO SHARE:

- How your nursing home is home-like now.
- Whether the facility changed its culture, and if so - how did they involve the residents and staff in the plan.
- Your experiences in trying to change the culture.
- What is your vision for how you want the nursing home to change, some examples might be:
 - ⇒ Whether care is directed by the resident/family or by the administration
 - ⇒ Whether the residents in the home are treated with dignity
 - ⇒ What choices the residents in the facility can make

IF YOU DO WANT TO SHARE: You do not have to mention the name of the nursing home. If you need help preparing, Cynthia Rudder, our consultant, will help. Please include your phone number when registering.
