Where: **ZOOM**

Speaker: **Rebecca Hess**, Public Education & Community Outreach Specialist for the Cancer Services Program of the Central Region

To register for the ZOOM Meeting virtually [click HERE](#), or visit www.nysenior.org for registration information

SESSION INFORMATION

- Cancer is the second leading cause of death in New York State.
- Learn the basics of breast, cervical and colorectal cancer including risk factors, screening options, and the importance of early detection.
- Find out about the Cancer Services Program and how it can help you or your loved one.

About the speaker Rebecca Hess: Since joining the Cancer Services team in 2018, Rebecca has focused on reaching the community to provide information and education on the importance of cancer screening and early detection as well as promoting no cost services to uninsured New York State residents. Rebecca holds a B.A. from Lebanon Valley College.

About the CNY Health Task Force: StateWide continues to operate the CNY Health Task Force with support from the Health Foundation of Western and Central New York. This program serves to identify, address, and solve problems in health care services and delivery across the Central New York region including the following counties: Cayuga, Cortland, Herkimer, Madison, Oneida, Onondaga, Oswego, Tompkins.
