

It's time to plan for life (and death) with dementia

Think
about your
future

Discuss
what's important
to you

Act
by using
our tools

**Compassion & Choices
offers two confidential
and free online tools**

Dementia Values & Priorities Tool

An interactive tool to document your wishes regarding the care you want and create an addendum that can be added to your existing Advance Directive.

Visit CompassionAndChoices.org/values-tool

Dementia Decoder

Prepare for medical appointments by creating a list of questions to help you get the care you want or don't want.

Visit DiagnosisDecoder.org/decoder/dementia
